Spring 2012 Session - 8 Credits

<p>AM Session <u>4 credits</u></p>	<p>Homeowners Insurance, a review of definitions - 8:00 AM - 12:00 PM This course will examine the important definitions in a homeowners insurance policy. We will discuss how these pertain to the perils covered and exclusions that are not covered. We will also be looking at the differences between different policies with different insurance companies.</p>
<p>PM Session <u>4 credits</u></p>	<p>Boat insurance - 12:00 PM - 4:00 PM We are coming up on that time of year. Boat coverage has unique aspects to it that are important to know. Because we don't work with this product year round it is hard to stay on top of what is covered and what is not. Make sure your client is making informed decisions about their boat coverage.</p>
