2012 OFFICIAL RULES AND REGULATIONS

TOURNAMENT DIRECTOR: Jamie Lindseth

1. TOURNAMENT RULES:

The City Auto Glass Walleye Classic will be held on Saturday, May 19, 2012 from 7:00 AM (CDT) to 4:00 PM (CDT). The fishing tournament has been authorized and permitted by the Minnesota Department of Natural Resources. All participants must comply with all terms and conditions of the permit. A copy of the permit is available upon request. All participants must comply with all Minnesota boating and fishing laws and regulations, as well as the following tournament rules:

1. The City Auto Glass Walleye Classic is restricted to Lake Vermilion. Tournament weigh-in will be located at Fortune Bay.
2. Winners will be determined by total weight of up to six (6) walleyes caught by a team within the tournament time. A qualifying team's catch will be weighed and recorded by the tournament judges at the tournament weigh-in site when each team returns. The total registered weight of each qualifying team's catch will be ranked in relation to the total registered weight of the catch of each of the other qualifying teams. The team with the highest total registered weight will be ranked number 1 and declared the winner of the first (1st) place prize. The team with the second highest total registered weight will be ranked number 2 and will be declared the winner of second (2nd) place prize, and so on.
3. A team must have two (2) persons and must fish from the same boat. One (1) team per boat. Entry fee per team is \$400.00. Each team member must sign an official entry form in order to participate in the tournament.
4. Rules & registration meeting is on Friday, May 18, at 6:00 p.m. at Fortune Bay.
5. One team member of each team must attend rules meeting; both are encouraged.
6. Teams 1-100 will depart in numerical order starting at 7:00 AM on May 19, 2012.
7. All boats must be checked in by a tournament official before the start of the tournament at tournament headquarters.
8. All storage compartments and livewells must be accessible to tournament officials prior to tournament start.
9. All boats must depart from official tournament headquarters at designated flight time in numerical order. Boats will take off one by one and will receive the "go ahead" from the start boat.
10. Six (6) walleye per 2-person team. No walleye less than 12 inches will be weighed. Dead fish will not be weighed. No more than two (2) walleye over 26 inches will be allowed per 2-person team. If more than two (2) walleye are brought to the scales that exceed 26 inches, the team is disqualified. No fish between 18 and 26 inches can be weighed due to a protected slot; a violation of this rule will result in disqualification.
11. The longest straight-line measurement, using closed mouth, and pinched tail will be used to determine length.
12. No alcoholic beverages may be consumed during tournament hours. Violation will result in disqualification.

Use safe judgment during inclement weather. If there is a need to clear the lake, the fishing tournament will resume when the tournament director deems the lake safe.
15. When returning at your scheduled time, each boat must pass in front of the start/finish boat and display your boat number to the start/finish boat to signify you are in. Check-in is mandatory, fish or no fish!
16. If you are up to 15 minutes late, you will be penalized 50% of your weight. After 15 minutes, your fish will not be weighed.
17. Only fish brought to scale in official fish basket will be weighed. Fish left in boat cannot be retrieved. Fish may not be placed on a stringer.
18. A protest of any kind must be filed with the tournament director before the weigh-in is completed. A \$200.00 fee is required; refunded if found to be valid. A protest committee will consist of two (2) tournament officials and three (3) randomly selected contestants. The committee findings are final. If the committee recommends a polygraph test, moneys will be withheld until the results of the polygraph test are known.
19. The violation of any rule, as determined by the judges in their sole discretion, shall result in automatic disqualification from the tournament and ineligibility of prizes or awards. All judges' decision will be final and may not be challenged.
20. All contestants competing in this event are expected to act in a sportsman like manner at all times towards non-competitors and competitors alike. Violators of this rule will be disqualified.
